Profiles

in **Graham Oyigo**

Summary

Detail-oriented Computer Science student with a passion for cybersecurity and network security. Currently completing a BSc in Computer Science, I aim to apply my skills to protect systems from cyber threats and contribute to innovative cybersecurity solutions.

Experience

Kenya Trade Network Agency (KenTrade)
Cyber Security Analyst Attaché
Upper Hill. Nairobi.
June 2024 - September 2024

Supported IT infrastructure security by monitoring systems, identifying vulnerabilities, and assisting with risk assessments. Gained hands-on experience in implementing security measures and contributing to incident response efforts.

Sponsor an African Scholar (SAAS)
IT Trainer
Mombasa, Kenya
November 2022 - December 2022

Facilitated training sessions on essential computer applications, equipping students with practical digital skills. Provided hands-on guidance to enhance their proficiency in productivity tools and basic IT operations.

Education

Chuka University
Bachelor's Degree in Computer Science
September 2021 - Present

Nyang'ori Boys' High School
KCSE Mean Grade B Plain
High School
2017 - 2020

Volunteering

Sponsor an African Scholar (SAAS)
Mentor
Mombasa, Kenya
March 2022-Present

- Mentoring high school scholars, providing guidance in academics and career development.

- Assisting with the development of digital and IT skills, fostering a strong foundation for future education and career opportunities.
